

The future of midstream gas & utilities

FLAME 2018

Amsterdam, 16 May 2018

Dr. Wolfgang Peters, MBA

Managing Director, The Gas Value Chain Company GmbH

The Gas Value Chain Company GmbH

Germany: from champion to 'fossil of the day'

**COP22 Marrakech November 2016:
Germany declared “Fossil of the Day”
COP 23 Bonn November 2017: again!**

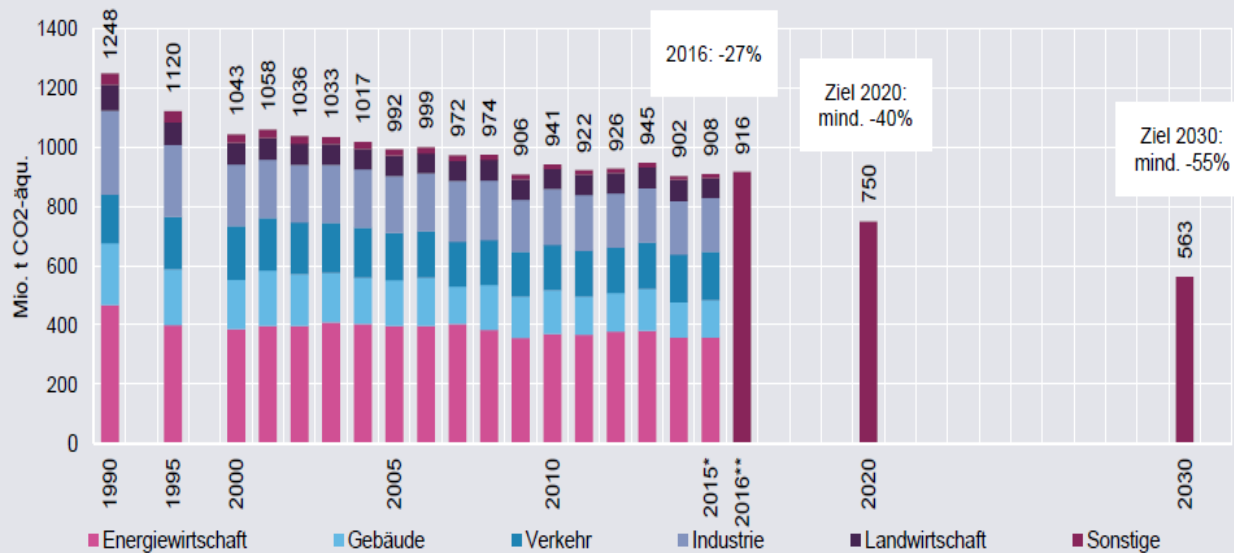

German Energiewende: RES proliferation instead of CO2 reductions

**CO2 emissions 2016 up by 8 million tons
2020 reduction target impossible to meet**

Treibhausgasemissionen nach Sektor 1990-2016 sowie Reduktionsziele für 2020 und 2030

UBA 2016, eigene Schätzungen
